## Welcome to IEAC Accreditation.

We're dedicated to elevating standards worldwide through accreditation. Accreditation plays a pivotal role in ensuring excellence and credibility in education, offering assurance to all stakeholders and encouraging ongoing quality enhancement in educational institutions. IEAC provides comprehensive accreditation solutions tailored to diverse educational needs. Our services encompass institutional accreditation, universities, schools and training centres, program accreditation, distance learning accreditation, accrediting individual teachers and lecturers, and consultancy services. With a personalised approach, we ensure that institutions receive accreditation aligned with their distinct requirements and objectives.

## IEAC Accreditation

### *A Mark of Excellence*

The accreditation process at IEAC acknowledges and celebrates international institutions that meet established quality standards. The IEAC Accreditation assures students, parents, and stakeholders of your institution's steadfast dedication to excellence and continuous improvement.

- Demonstrate your commitment
- High-quality international education
- Duty of care to students, staff, and academic processes
- Global citizenship education and community impact
- Building world-class institutions

IEAC Accreditation goes beyond national recognition, emphasizing your dedication to internationalisation and exemplary provision for international students. It signifies your commitment to maintaining the highest international education standards and continuous improvement through:

- Benchmarking against international standards and best practices
- Institution improvement through impact analysis, self-study, and outcome-based evaluation
- Ongoing partnership, focusing on support, development, and communication

## How IEAC Accreditation Can Help You

IEAC Accreditation is a testament to your commitment to being a quality, ethical education provider respected worldwide. Our holistic approach improves the quality of your internationalisation efforts and benchmarks your educational institutions against standards that matter. We understand and respect local concerns and educational practices, fostering effective cooperation with local authorities.

### Accreditation Process

IEAC's holistic accreditation process evaluates procedural and statutory documentation, performance monitoring systems, internal QA processes, and school culture. The process includes both remote and on-site inspection stages, self-evaluation, and a comprehensive report.

***Empowering Excellence,  
Inspiring Innovation***

### Independent External Quality Assurance

IEAC's primary objective is to recognise and support your international educational institutions commitment to providing a high-quality learning experience. Our evaluations conform to UK and USA best practices, providing commendable, satisfactory, or unsatisfactory grades. Accreditation is awarded for four years,

## Safeguarding and Protection of Child Welfare

Safeguarding is integral to IEAC's assessment, ensuring your school's leadership prioritises the welfare of children. Accreditation evaluates policies, procedures, and the school's culture to protect students from harm, neglect, and abuse. IEAC inspections focus on maintaining a safe environment for learning and development.
